SENATE CONCURRENT RESOLUTION

no. 115
2 (36/18)

WHEREAS, The Bay Study Committee of the Texas Legislature, authorized by S.C.R. ^{no.} 60, 58th Legislature, and continued under S.C.R. ^{no.} 9, 59th Legislature, gained invaluable assistance in their studies of Galveston Bay from the Corps of Engineers working model of the Galveston Bay system at Vicksburg, Mississippi; and

WHEREAS, the Corps of Engineers has now concluded its experiments with this working model; and

WHEREAS, preservation of this model would make possible continued investigations of the pollution problems of the Galveston Bay system; and

WHEREAS, the Federal Water Pollution Control Act provides for State-Federal cooperative projects such as scientific investigations of water pollution; now, therefore, be it

RESOLVED, by the Senate of the State of Texas, the House of Representatives concurring, that the Water Pollution Control Board, the Bay Study Committee, and all other state agencies concerned, either directly or indirectly, be directed to negotiate with the U. S. Department of Health, Education, and Welfare and the Corps of Engineers, U.S. Army, for the preservation of the working model of the Galveston Bay system for scientific water pollution studies.

Army, for the preservation of the working model of the Galveston Bay system for scientific water pollution studies. _____

FORM A

(For favorable and unfavorable reports on bills and resolutions, where no committee amendments are recommended.)

COMMITTEE REPORT

Date May 27, 1965

HON. BEN BARNES

Speaker of the House of Representatives.

Sir:

We, your Committee on CONSERVATION & RECLAMATION to whom was referred S.C.R. No. 115, have had the same under consideration

and beg to report back with recommendation that it ~~do not~~ ^{do} pass, and be printed

Walter J. Murray
Chairman.

(When this form is used for a favorable report on a general bill the words "do not" are marked out. If the bill is a local bill the word "not" should be inserted before the word "printed." When used for an unfavorable report the word "do" is marked out, the comma after "pass" is changed to a period, and the remaining words also marked out.

When this form is used for a simple or concurrent resolution the comma after "pass" should be changed to a period and the remaining words stricken out because resolutions are printed in the Journal when first introduced.)

SENATE CONCURRENT RESOLUTION NO. 115

WHEREAS, The Bay Study Committee of the Texas Legislature, authorized by S. C. R. No. 60, 58th Legislature, and continued under S. C. R. No. 9, 59th Legislature, gained invaluable assistance in their studies of Galveston Bay from the Corps of Engineers working model of the Galveston Bay system at Vicksburg, Mississippi; and

WHEREAS, The Corps of Engineers has now concluded its experiments with this working model; and

WHEREAS, Preservation of this model would make possible continued investigations of the pollution problems of the Galveston Bay system; and

WHEREAS, The Federal Water Pollution Control Act provides for State-Federal cooperative projects such as scientific investigations of water pollution; now, therefore, be it

RESOLVED, By the Senate of the State of Texas, the House of Representatives concurring, that the Water Pollution Control Board, the Bay Study Committee, and all other state agencies concerned, either directly or indirectly, be directed to negotiate with the U. S. Department of Health, Education, and Welfare and the Corps of Engineers, U. S. Army, for the preservation of the working model of the Galveston Bay system for scientific water pollution studies.
